

Bright Horizons Care Advantage Program

A Message from Constantine Alexandrakis our CEO:

As a parent myself, I know how hard it can be to balance the pressures of work and home. With that in mind, I am pleased to announce that Russell Reynolds Associates is introducing a new benefit program called Bright Horizons Care Advantage. This program can help you to provide quality care for your family members, both in emergency situations and on an ongoing basis. While I encourage you to do your own research to ensure that you are making the best choices for yourself and your family, I think you will find the Bright Horizons program to be very helpful. They have a great team who will work with you to find support solutions. Please reach out to them directly at the phone number or web address provided below.

Supports for Your Family & Career

Your Many Benefits Include:

Back-Up Child, Adult, and Elder Care: Don't stress about school breaks, bad weather, or when your elder loved one is recovering from surgery. Reserve high-quality child care in a center, or in-home care for your child, adult, or elder relatives.

Return-to-Work Care: Going back to work post-leave can be overwhelming, but you have extra back-up care to use in your child's first year. Visit the special programs section on the back-up care site to learn more.

Care for the Whole Family: Easily find sitters, elder care, and pet care (your membership fee to the database is waived); jump ahead on the waitlist or enjoy discounts at participating child care centers.
